

IdentiTrip - Testimonials

Ashton on Mersey School

"Its removed the burden of collecting money from staff and its so simple to use."

Tarun Kapur
Executive Head Teacher

Altrincham Grammar School for Boys

"We have found that IdentiTrip offers far more than we originally thought, even replacement smart card transactions are completed on the system."

Caroline Speakman
Bursar

North Chadderton School

"IdentiTrip addresses all our issues with regard to workforce reform and the collection of money. The biometric technology is a new and exciting innovation that we know the pupils will like to use. We are proud to be a leading school in the introduction of this technology and look forward to extending its use for example with a cashless catering system."

Christine Copson
Finance Manager

Crompton House CofE School

"We bought the system to bring our School Trips accounting information into the 21st Century, to have accurate income details to hand without ploughing through class lists."

Helen Berry
Business Manager

Ashton on Mersey School

"Its been so successful here that I've recommended it to other schools."

Nick David
